

# KEY STAGE 1 WEEKLY LEARNING MAT week beginning 22.6.20

This week's theme is Summer!

Draw a sunshine and put it in your window at home for a local eye spy!

Don't forget to download the weekly spellings off your class page.

### Measuring - Weight/Mass

Y1s: Can you describe items you can pick up? Are they heavy or light? Choose 3 items and put them in order from lightest to heaviest. Draw a picture of what you have found out and label it.

Y2s: Do as the Y1s above, then put your items onto some kitchen scales (if you have them). Were you correct? Add the weight /mass in grams to your picture.

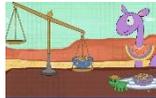

Play

Y1s:

<https://pbskids.org/peg/game/s/happy-camel>

Compare the weight/mass of the bowls.

Y2s:

<https://www.ictgames.com/mobilePage/mostlyPostie/index.html>

Read the weight/mass on the scales (answer in steps of 10g).

### Summer time

I love summer! Summer is hot.  
It's sun and shade.  
It's water to wade.  
It's frogs and bugs.  
It's grass for rugs.  
It's eating outside.  
It's a tree-swing ride.  
It's tomatoes and corn.  
It's dew in the morn.  
It's dogs and boys  
And lots of noise.  
It's a hot sunny sky.  
It's summer. That's why.  
I love summer!

Read the poem.  
Make a list of things you like about summertime.

Can you write them in a poem like this one?

Illustrate your poem.

Tweet a picture of your poem to @MarlcliffeKS1

Make your own stained-glass window. Use a clear background (e.g. a fruit carton) and glue tissue paper onto it. Try to make a summer theme e.g. the sun. You could also use paint mixed with PVA or washing up liquid, to make it stick. When finished put it into your window.

Let's pretend 'We're All Going On a Summer Holiday'!

[https://www.youtube.com/watch?v=lhdPRC\\_8ZiI](https://www.youtube.com/watch?v=lhdPRC_8ZiI)

Gran and Grandad can lead the singing for this one!

### Maths Shed

<https://play.edshed.com/>

Log on with the username and password that you have been given. Choose 'Play', then 'Add and Subtract'.

Y1s: Click on the + sign for 'Within 10'. See if you can get onto medium level.

Y2s: Click on the + sign for 'Within 20'. See if you can get onto medium level.

Have a go at cooking and baking with a grown up! Measure out the ingredients, looking at how many grams/kilograms or millilitres/litres you need. Can you measure out everything carefully and accurately?

### Spelling Shed

<https://play.edshed.com/>

Log on with the username and password you have been given.

There is a selection of new lists to practise.

Y1s: revisit the 'ee' phoneme

Y2s: n and gn to start words

### Conjunctions

Write some sentences about this picture using the conjunctions 'and', 'if' and 'but.' Use some adjectives to describe it too.

What are the names of the four seasons? What is the weather like in each one? What you wear and what activities you do?

Fold a piece of paper in half, then in half again, and label each quarter with the name of a season. Draw a picture of the weather and put yourself in the picture, wearing the right type of clothes.

### Melting Ice Lollies Experiment

Have you ever tried to eat an ice lolly before it melts? Tricky isn't it! Try this experiment: Put 3 ice lollies in different parts of your house. Which one melts the fastest? Slowest? Or try this: Do different flavours melt at different speeds in the same place? Take a photo of your experiment.
