## HOT CHOCOLATE WITH THE HEAD

I had the pleasure of another wonderful Hot Chocolate with the Head with some of our Y5/6 Learners recently. Thank you to Emily, Carter, Matilda, Casper and Dorri for joining me. It was lovely getting the chance to talk with them all.

## HEALTHY SNACKS

We would like to remind you that children are able to bring a healthy snack to school. This could include items such as fruit, vegetables, bread sticks or cereal bars. We aim for a common sense approach with the key to it being healthy. Crisps, sweets and chocolate are not allowed at snack time. Children in Reception and KS1 are provided with a piece of fruit or vegetables each day. Our tuck shop also sells healthy snack for children in KS2.

## SPORTING SUPERSTARS

We have some sporting achievements to celebrate. Firstly our NFL team came 1st place in a recent competition, winning every game. Secondly, some of our children took part in a cross country event. They did amazingly well. We had a second place team and a third place team and two of our children won silver medals.

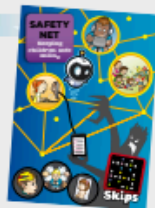

# THE SHEFFIELD YOUNG ARTIST COMPETITION

On Wednesday 17th April, Thea in Y5 was invited to meet the Lord Mayor in his Chambers at the Town Hall. This was in recognition of her fantastic entry into Sheffield Young Artist 2024. Thea had tea with some other special guests and looked all around the historic room. She's now excited for the exhibition and awards ceremony!  
Well done, Thea!

## A Parent's Guide to Cyberbullying

scan the QR code with your phone's camera for Parent Guides on how to help keep your children safe online

Many young people who are victims of cyberbullying suffer in silence.

They feel they can't turn to parents or a trusted adult for support as they fear they may get in trouble or have their devices taken away from them. It can carry on all day, all evening and all weekend for the world to see, causing a lot of emotional stress to the victim and their family.

It can very quickly lead to the victim feeling trapped, scared and vulnerable to grooming and blackmail.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school to enquire attending their next e-safety workshop or have any concerns.

Working with Home Office 'PREVENT', The Police and Crime Commissioner and Children's Safeguarding Partnerships to help keep children safe online.
